Learning is wealth to the poor, and honor to the rich, an aid to the young, and a support and comfort to the aged.

He who always seeks more light the more he finds, and finds more the more he seeks, is one of the few happy mortals who take and give in every point of time. The tide and ebb of giving and receiving is the sum of human happiness, which he alone enjoys who always wishes to acquire new knowledge, and always finds it.

—Lavater.

Surrounding the 'G' are several concentric circles in shades of blue and white. The background is composed of vertical stripes in dark blue and white, creating a textured, almost woven appearance. The overall composition is geometric and modern.

MR. LORENZO H. HATCH

In our position as students of Granite High School we express our sincere admiration for the leader with whom we have the privilege of associating—Principal Hatch. Each day of the school year new problems arise, situations confront us, advice is needed, all of which require intelligent and broadminded leadership. His office door is always open to any student who may wish to seek his encouragement and advice.

Mr. Hatch is endowed with those qualities which inspire loyal followers and supporters. We are rich in his friendship.

administration

SUPERINTENDENT CALVIN S. SMITH

His understanding of educational facilities and his outlook upon the educational aspects of life, are factors leading to the success of Superintendent Calvin S. Smith as leader of the Granite School District. He is a man of very liberal views; he has shown his social-mindedness by being prepared to help upon any occasion and by directing and guiding the moves of his followers.

Dr. Smith is one of those rare men who possess a genuine love of learning. His methods never lag a fraction of a step behind the latest developments in the science of teaching. We, who are under Dr. Smith's influence, are better for having known him.

Dear Bob — This is a little late to
be writing in year books but I know you want
me to write in it so here goes. ^(I'll say) Your little
sister is sitting right in front of me —
Don't forget the good times we had during
the apra — I still don't think you are as
good in it as I am — in fact I know
you're not — How are you doing? You asked
for it —

Really though I think you are a swell
kid, and I hope that we will always be good
friends — (only don't get me mad) I hope that
you will be a big success in life. That
you will have all your wishes and hopes
fulfilled —

Work hard and be just as good
as you are now and I know you will
become what you really want to be.

student

Well, be a nice little boy and don't

go on the border line — I'll tell the
Bishop on you —

To their vigorous spirit, coupled with an enthu-
siastic student body, may be attributed the success
of the year 1935-36. May we extend to them a
unanimous vote of approval for their services to
the student body.

The Senate of 1936 has worked diligently throughout a busy year. During 1936 the Senate has accomplished two outstanding achievements—that of publishing the Student Handbook, a contribution which is invaluable to all Granitians, and that of changing the regulation for awards to the students who have excelled in scholarship or have been prominent in school activities.

Dear Bob,

Just about everywhere you look in this book you'll find my writing. But if I must — I must.

When are you going to come and see me? I'll have to have orchestra practice before you'll come up?

I'll be glad when these graduation exercises are over with. I'm getting awfully nervous.

I didn't know you were supposed to be a "modern-hater." I was surely surprised when I heard about it. It has been you trying to make people believe anyway?

The Seniors of '36 have exhibited the usual self-respect and dignity customary to a Senior.

Realizing that it takes much more than a well-equipped, modern building and competent teachers to make a school a success, and feeling that the leaders of an organization are chosen from among those who successfully do their tasks, the Seniors have been adept in leading their class mates to a more intelligent appreciation of the modern education provided us.

The Juniors in any school organization seem to be precariously placed, for they are not to be so mandatory as to take the lead in school functions and they object to drag along without a purpose.

The Juniors of our high school, led by their officers, Alvin Barlow, President; Donna Ferguson, Vice President; Sylvia Nydegger, Secretary and Treasurer, have syncretized good taste and enthusiasm resulting in a unit of Granitian sportsmanship.

Juniors, we await with pleasure your return next year as the Seniors of '37, of Granite High School.

Usually the members of the Sophomore Class are considered as being the insignificant participants in the affairs at Granite. They have been jeered, teased, and taunted, but have shown continued cooperation and sportsmanship.

s o p h o m o r e s

The annual Sophomore Ball was a gay and colorful affair which gave to each happy-go-lucky couple in attendance the gala time which they had expected.

Dick Pratt, President of the class, was elected for his ability to pattern after his predecessors of the upper classes. This he does well with the promptings of Helen Christensen, Vice President, and Ray Smith, Secretary and Treasurer.

orchestra

The students who have cooperated to make our orchestra a success are deserving of credit. Their enjoyable selections have added much to our assemblies and other entertainments during the year.

This organization has also been directed by Adolph Brox.

The Girls' Trio, Louise Fagg, Virginia Sanders, and La Prielle De Wolf, have distinguished themselves as an important unit of Granite by their willingness to participate in public service activities.

cantata

The Music Club, which was organized this year, has as its aim the teaching of the esthetic value of music. A musical delight, under the direction of John W. Summerhays, offered by members of this club, was the Cantata, "The Death of Minnehaha," a rendition which was presented to the high school student body Wednesday, March 11, and to the public, Thursday evening, March 12.

I don't want to be a pretty girl and a pretty girl is only good for one purpose. I don't want to be a pretty girl and a pretty girl is only good for one purpose. I don't want to be a pretty girl and a pretty girl is only good for one purpose.

dramatics

This extra curricular activity "spotlights" many of our students who are talented in portraying characters on the stage. Through tryouts, the better of the best are chosen for character parts.

These selected students, who are pictured for you, formed the casts which presented the first three plays of the year. From the casts of these plays were chosen the students who participated in the Honor Play, the final production of the year.

The students taking part in dramatic work have been under the direction of Miss Emma Rae McKay.

nothing but the truth

"Nothing But the Truth," by James Montgomery is a racy drama covering two hours of thrills, mystery, and laughs, during the time in which Donald Bennett has the arduous task of telling the truth, the whole truth and "Nothing But the Truth."

girls' activities

"Learned women are ridiculed because they put to shame unlearned men."—George Sand.

Granitian girls, the G. A. G., form one of the school's most prominent organizations, under the combined leadership of Miss Lindquist, Dean of Girls and Miss North, athletic director.

Girls' Day, sponsored by the G. A. G., is comprised of a parade, assembly, a tea for their mothers and a fashion show. The Girls' Dance presented in the evening is the climaxing feature of the day.

The completion of a comfortable rest room has been the most outstanding accomplishment of the organization this year. With Miss Lindquist as their enthusiastic leader, the girls raised funds through ticket sales to buy furnishings for the lounge. This achievement is worthy of recognition in our record of 1935-36.

club presidents

An energetic president and a willing, responsive group are the most essential elements of a successful club. Such a combination may be found in our clubs at Granite this year.

The clubs, through their activities, have added much enthusiasm and interest to school life. Numerous skating and swimming parties, trips, lectures, dances, and even plays have been sponsored by the clubs.

Throughout the year the club presidents, have kept in mind their responsibilities as club leaders, and also the aims and purposes of the organizations which they represent. These leaders have displayed initiative in the manner in which they have conducted their activities. Granite students have chosen well their club presidents of 1935-36.

3. SOPHOMORE SQUAD

To Rex Sutherland comes the task of building a grid team at Granite. Rex works very hard to get his team in shape before the playing season begins, and he usually makes a success of his endeavors. Rex is assisted by LeRoy Hillam, who coaches the second stringers. In practice, Hillam's team plays Sutherland's team. Baker instructs the Sophomore squad.

With the return of nine lettermen, the coaches had excellent material from which they could select a team. With hard work and diligence, the team improved immensely throughout the season. Net results were two "wins," three losses, and two ties.

Although Granite made a better showing in football this year than it did last year, our team did not fully develop all its possibilities and reach the standard set in other years.

As football captain, "Doc" Howe served the position acclaimed the best center in the division.

schedule

September 27—Carbon 0, Granite 0

Although the game was scoreless, the "G" completely outplayed the 1935-36 state runners-up in a pre-season tilt.

October 4—Murray 13, Granite 0

As a result of having taken Murray too lightly, the Farmers were smashed by the visiting Smelterites.

October 11—Davis 7, Granite 7

With the help of an enroused student body, the Red and Blue showed power to come from behind a 7-0 disadvantage to tie the score against the Darts.

October 18—Cyprus 6, Granite 0

After holding a small but speedy team from Cyprus to a scoreless tie for almost all the game, Granite allowed their opponents to complete a long pass to win the contest.

November 1—Bingham 0, Granite 19

After taking an early lead, Granite was never threatened by the inexperienced Miners.

November 8—Jordan 6, Granite 0

An injury to Rynearson brought gloom upon the Farmer spirit as Granite wound up the season against her traditional Beet Digger rival. No division team scored against the lucky league-leading Jordanites.

Cecil Baker has the task of coaching the Sophomore Football Team. He moulds the inexperienced greenlings into a strong machine, ready for Rex Sutherland when he calls for spring try-outs.

The young leader of this team, Arnie Thelin, was respected as a leader by his sophomore squad.

Three "wins" and two defeats. This is the record boasted by the 1935 Sophomore Team. The season was opened by defeating Murray 13-0. Granite continued to win against Davis, but to the surprise

of many, our team lost two consecutive games against Cyprus and Tooele by large scores. The season was climaxed by our defeating Bingham to a score of 32-0.

The purpose of a Sophomore Team is to give the younger fellows a chance to get experience and training so that they may be able to play on Granite High School's regular football team. Many of these players will be recognized lettermen in next year's football history.

Again this year "Cec" Baker was the man of the hour when his well-coached team won the state crown. This was accomplished only by the tactics and able coaching of Coach Baker. "Cec" stated he had had better material other years, but never before such determination and loyalty of a squad of players.

After a pre-season game schedule of inter-class basketball, the final squad was chosen. They were: H. Ryneerson, D. Wright, H. Mackay, D. Kramer, all former letter men; and S. Wood, K. Taylor, C. Mackay, D. Swanson, D. Winchester and L. Yotter. The new men on the string alternated with the letter men throughout the season. There were no poor teams in the division.

SCHEDULE

January 3—Bingham 19, Granite 15

Evidently the Granite hoopsters were not primed for hitting the hoop as they were smothered under a fast miner attack.

January 10—Granite 21, Murray 18

Although they were always being closely pressed throughout the game, the Bakermen worked ahead to stay ahead.

January 17—Granite 18, Davis 14

With some accurate foul line pitching, the Granitians were able to pull away from their larger opponents.

January 24—Granite 17, Jordan 13

Both quints played strong defensive ball.

It just happened that it was Murray's turn to be one point ahead when the gun sounded.

February 28—Granite 36, Grantsville 27

No, not one of those games played just to pass time away.

March 6—Granite 21, Jordan 16

The loser to be definitely out of the running for a tournament berth.

PLAYOFF

March 10—Murray 33, Granite 13

March 13—Granite 21, Morgan 16

The Murray-Granite game entitled Murray to second place in the district and Granite third.

The Morgan-Granite game was the Jordan third and Summit runner-up playoff for a state tourney berth. This victory gave Granite its tenth consecutive berth in the past ten years.

1936 – state champions –

Granite vs. American Fork

Prognosticators gave Granite little chance to upset the Alpine champs; yet the Cavemen faced the strongest zone defense in the state and were cut down, 21-16, in the first of Granite's tournament victories.

Granite vs. Delta

Critics gave Granite the nod. The Farmers played ragged ball the first half; but her defense finally tightened; then Delta went tumbling, 27-19.

Granite vs. Davis

Newspaper men thought the district champs of Region Two would remain atop. Davis, too, met her downfall before the leak-proof zone defense of the Granitian team. The score: 27-22.

Granite vs. Ogden

Ogden was touted all year. This praise is the worst enemy of a good team. The towering Tigers were rooted from under both baskets. The game was Granite's all the way. Ogden staged a great rally in the third period, but the Farmers tightened and plugged on to a 21-16 triumph and their fourth state crown.

yell leaders

G-r-a-n-i-t-e!
G-r-a-n-i-t-e!
V-i-c-t-o-r-y!

"The team that won't be beaten, can't be beaten", says Cecil Baker, basketball coach.

The yell leaders of our high school are spurred on by the same enthusiasm as that which motivates our teams in their athletic competition.

A good team—enthusiastic yell leaders—a loyal student body—victory!

Left to Right: D. Sandburg, M. Hagio, L. Paxton.

track

Snow and rain halted an early limbering of joints; however, Coach Baker's boys were in fairly good condition when the 1936 track season schedule opened. Granite defeated Jordan and lost to Murray in the first meet at Murray. Other meets were the Relay Carnival and Regional Meet at the University of Utah Stadium, Invitational Meet at the Brigham Young University, and the State Meet.

First Row: J. Dunn, J. Jolley, F. Adams, F. Jones.

Second Row: P. Miller, D. Kramer, S. Clayton, F. Romney, C. Olsen, C. Owens.

Third Row: S. Wood, D. Blank, J. Cornwall, D. Briggs.

Fourth Row: R. Bunker, H. Ryneerson, K. Taylor, M. Atkinson.

baseball

Because of the late spring, our team was forced to play through a heavy schedule in a short time.

The league was composed of all teams in Region Two wishing to participate in the sport: namely, Bingham, Cyprus, Davis, Judge Memorial, and Granite.

Top: T. Sperry, K. Ericksen.

First Row: E. Newman, S. Omer, D. Kramer, R. Howe, H. Ryneerson.

Second Row: D. Dillon, D. Hoffman, M. Hagio, B. Bleazard, S. Wood, W. Johanson.

Third Row: E. Jones, D. Kramer, H. Mackay, F. Akita.

Fourth Row: B. Pratt, C. Shafer, H. Ryneerson, G. Faust, K. Taylor.

tennis

The completion of the new tennis court created so much enthusiasm among students and officials, that it resulted in a tennis schedule under the supervision of Coach Baker.

The technique of the players was greatly improved, and it possible for some of the participants to earn "G" awards.

Each school was represented by one singles team and one doubles team.

First Row: H. Steed, R. Jensen, E. Lessley.

Second Row: B. Draper, G. Holdaway, H. Steed, E. Lessley, R. Jensen.

Third Row: G. Holdaway, B. Draper.

athletics

boxing and wrestling

Eight!—Nine!—Ten!—Knockout! Pinned! Decisioned! Yes, they do, all of them.

Only two meets were staged in Boxing and Wrestling this year, one against Davis High School and the other against Westminster Junior College. The Granitians entirely out-classed Davis. Our mat-men barely defeated Westminster, 25, 24.

First Row: B. Pratt, I. Bartlett, M. Haggio, L. Elg, H. Ungritch, M. MacKay, N. Evenson, D. Dillon.

Second Row: K. Caldwell, E. Phillips, D. MacKay, K. Keddington, J. Pappas, W. Osguthorpe, S. Pappas.

girls' athletics

tennis

"Duce" "Add in" "Duce" "Add out"

Such is life on the tennis court. Another court has been provided for students of our school; hence rackets have certainly been busy this spring.

Under the supervision of Miss North and the G. A. G., a tennis tournament was held last year and this spring.

Top: E. Johnson, F. Carlson. Bottom: L. Cutler, M. Breinholt, F. Bailey, C. Van Dam, L. Tolman

swimming

Our Wednesday night swimming class for girls has been very successful this year. It has consisted mostly of girls who were not members of a regular physical education class.

The G. A. G. held an interclass swimming meet this spring which stimulated much interest among the girls.

First Row: F. Torgeson, M. Cross, E. Wilkinson, B. Soderborg, J. Last, S. Knowlton, V. Llewellyn.

Second Row: E. Thorson, E. Jensen, A. Hendrickson, E. Hendrickson, D. Simons, D. White, C. VanDam, L. Eakle, M. Cooper, E. Labrum, B. Nydeggar, I. North, A. Spencer, B. J. Atkinson, L. Sudbury, V. Day.

Third Row: M. Nelson, B. Allen, M. Humphry.

track

Active interest has been shown in track by our girls this year. Those taking part have worked diligently to develop their ability in this fast-moving sport.

First Row: H. Wallace, F. Cark, L. Tolman, Z. Lever, V. Johanson.

Second Row: M. Breinholt, D. White, M. Rigby, V. Dradge, B. Allan, J. Mather, M. Staley.

Sprinters: V. Dradge, H. Wallace, M. Staley, D. White, Z. Lever.

Hurdlers: S. Knowlton, M. Rigby, M. Staley, B. Allan, J. Mather.

baseball

Baseball has been one of the most popular games of the spring season among Granite's athletically-inclined girls. The girls who participated in this sport learned many fine points.

First Row: L. Coon, D. Taylor, B. Sharples, M. Whiting.

Second Row: M. Staley, A. Breeze, H. Christianson, K. Takeuchi, M. Bleazard, W. Copling, E. Hubner.

Third Row: L. Wilken, V. Blake, W. Bennion, Z. Lever, M. Coker, E. Mantyla, N. Neilson, V. Johanson.

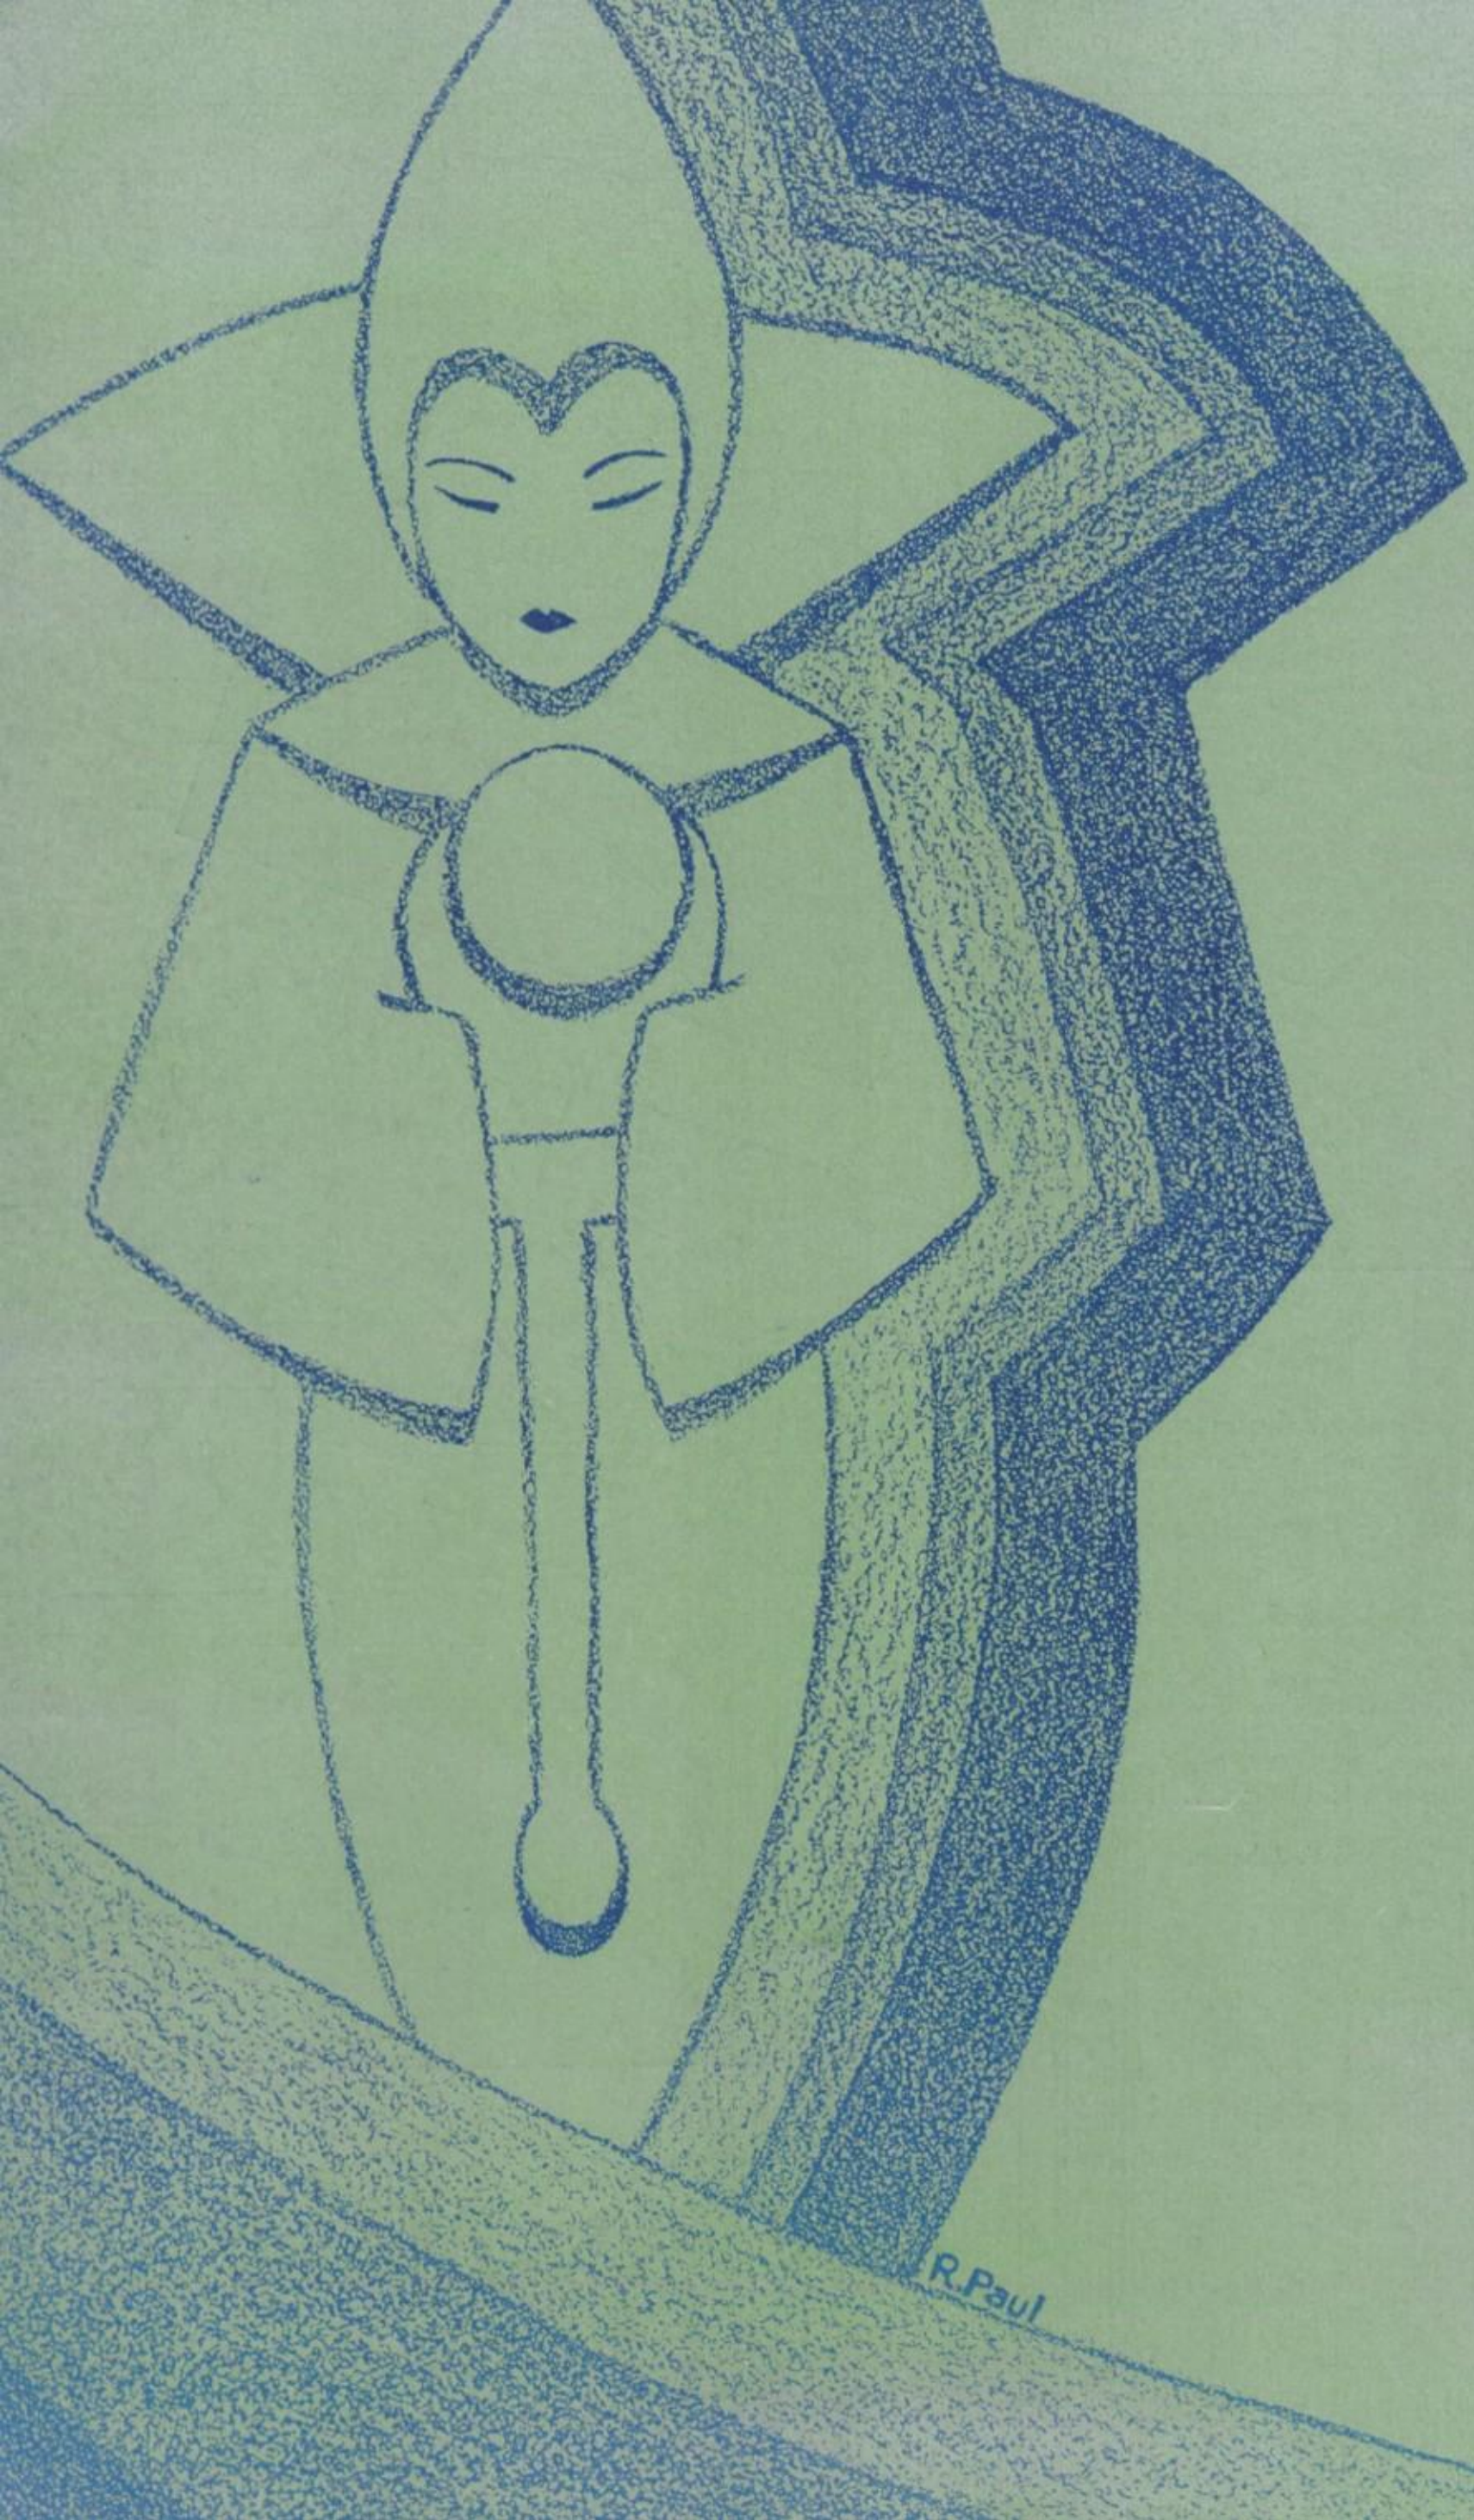

Lower Picture: D. White and V. Johnson.

basketball

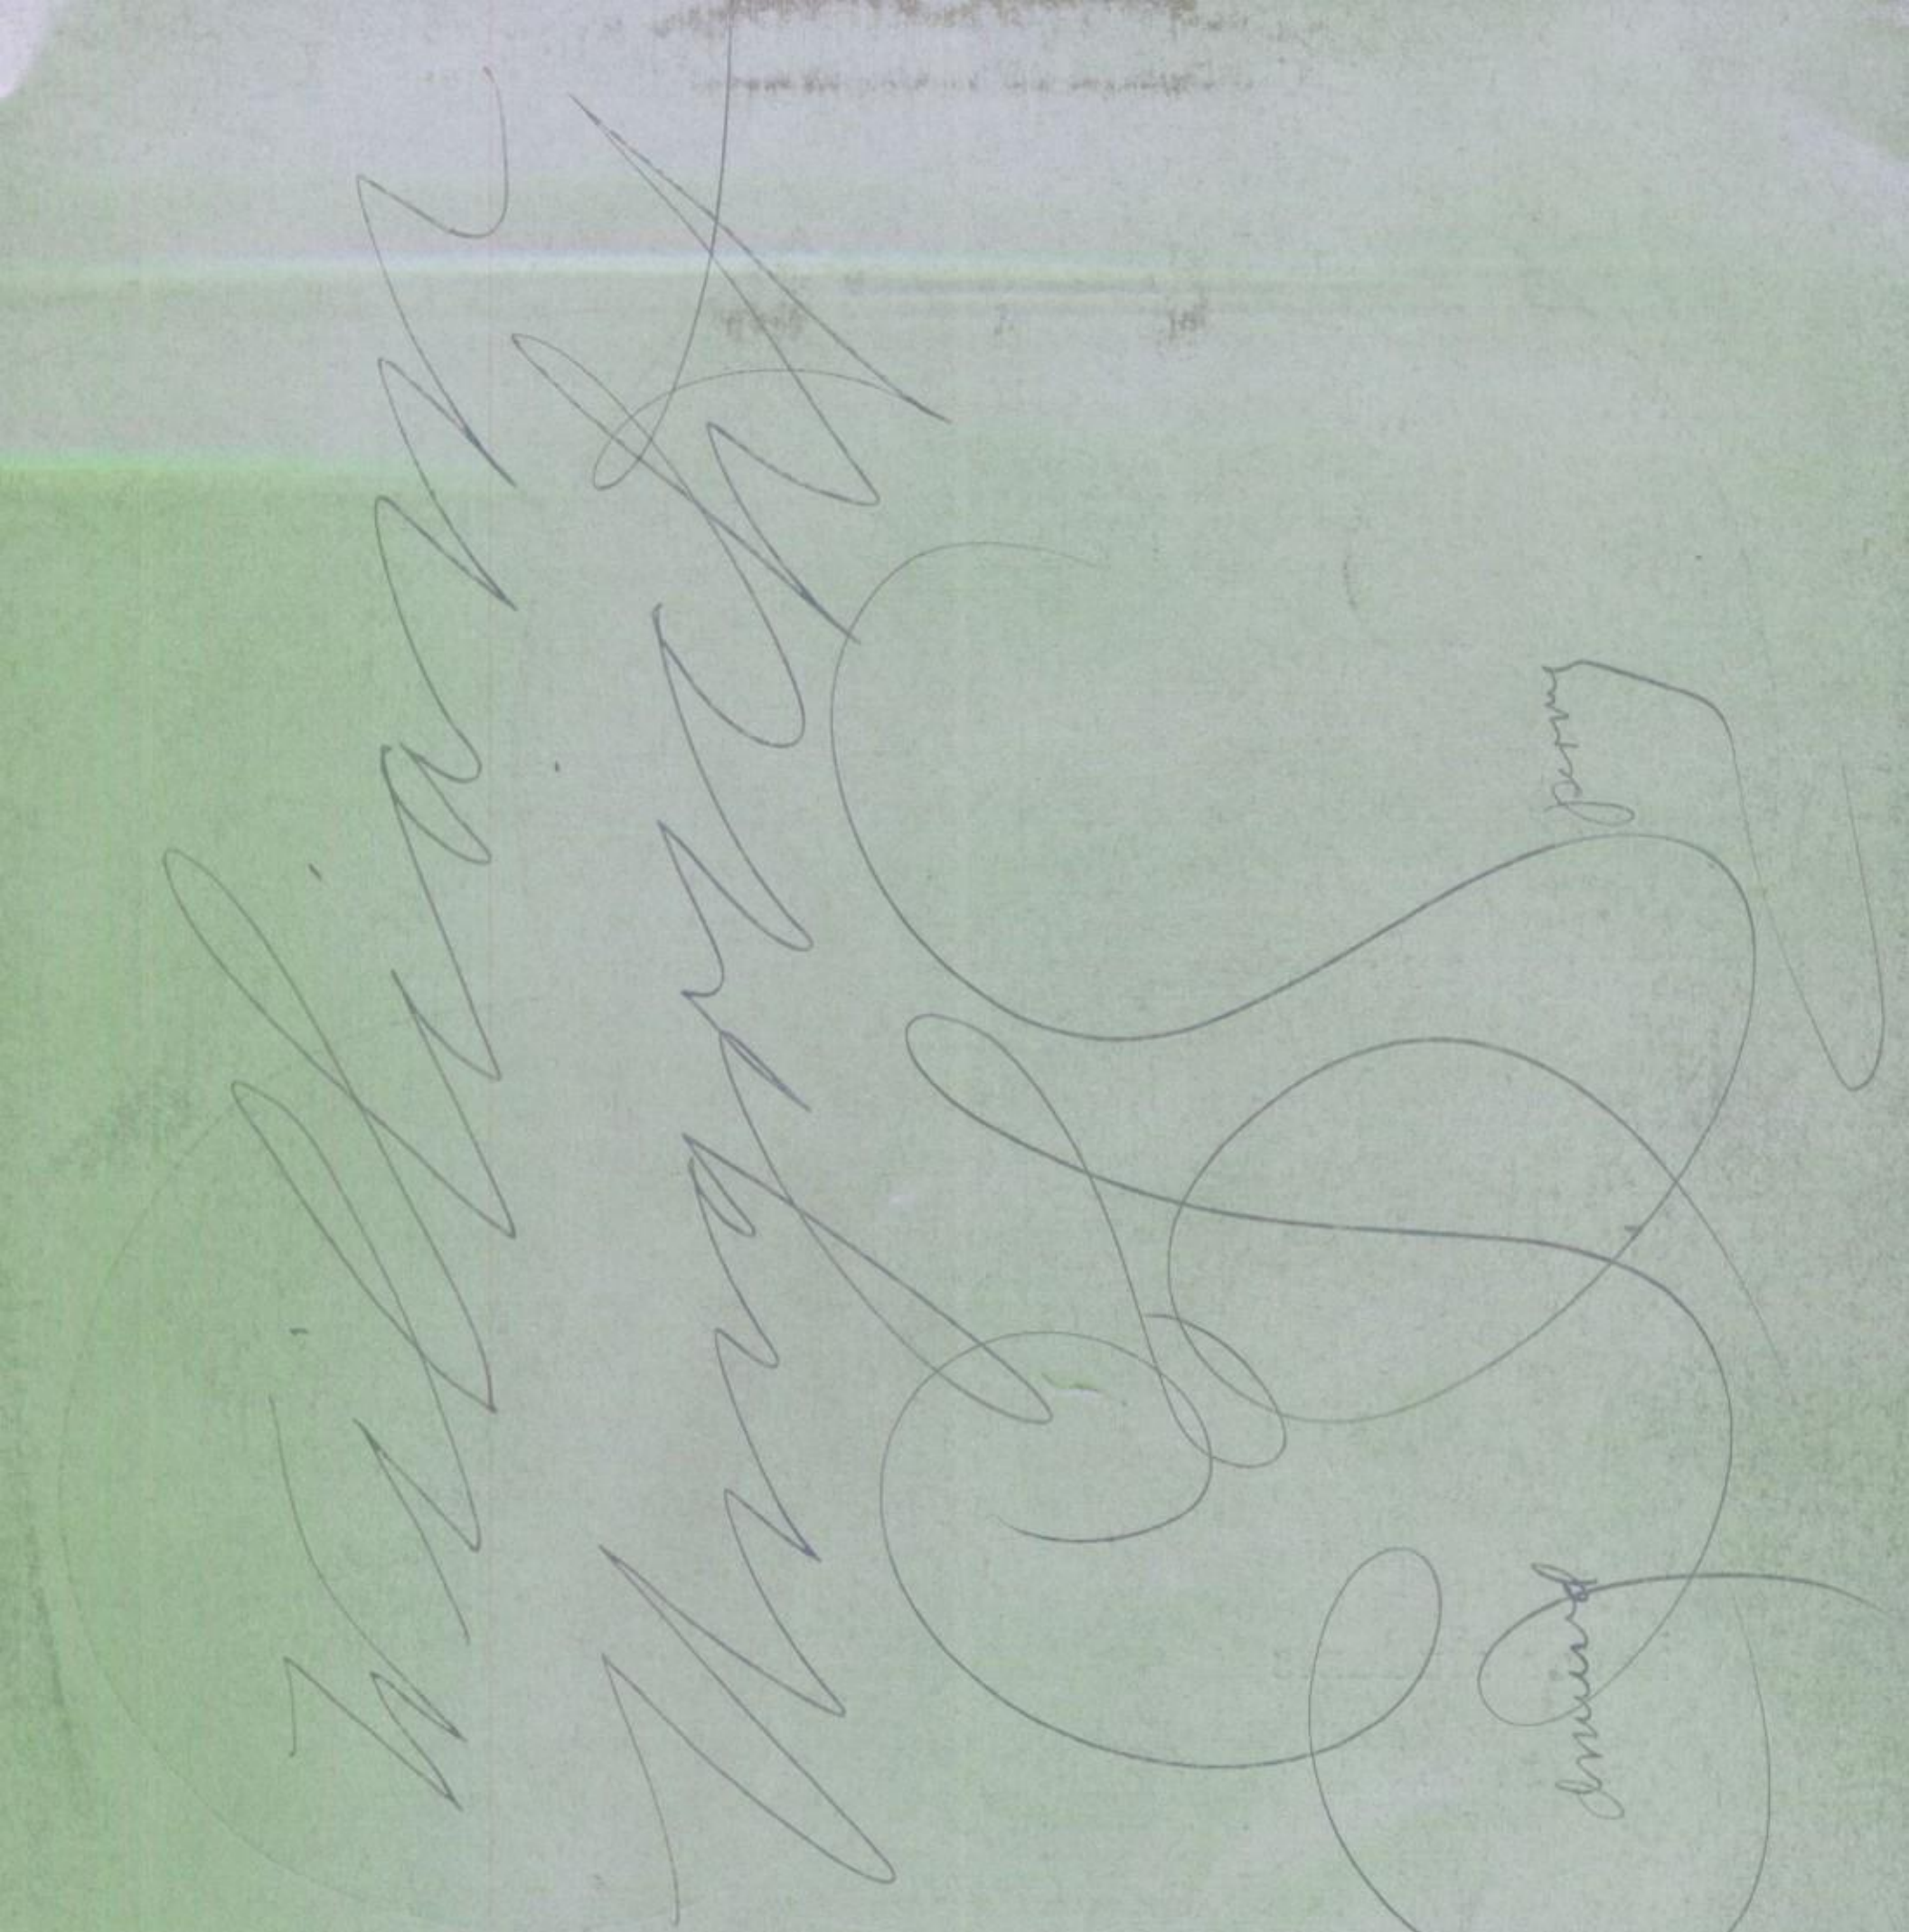

Basketball is probably the most outstanding sport among Granite's girls. During the winter months, class and inter-class basketball games were played, ending with a championship game between the two best teams.

First Row: M. Breinholt, C. VanDam, V. Llewelyn, D. White, D. Taylor, B. Sharples, S. Knowlton, M. Staley.

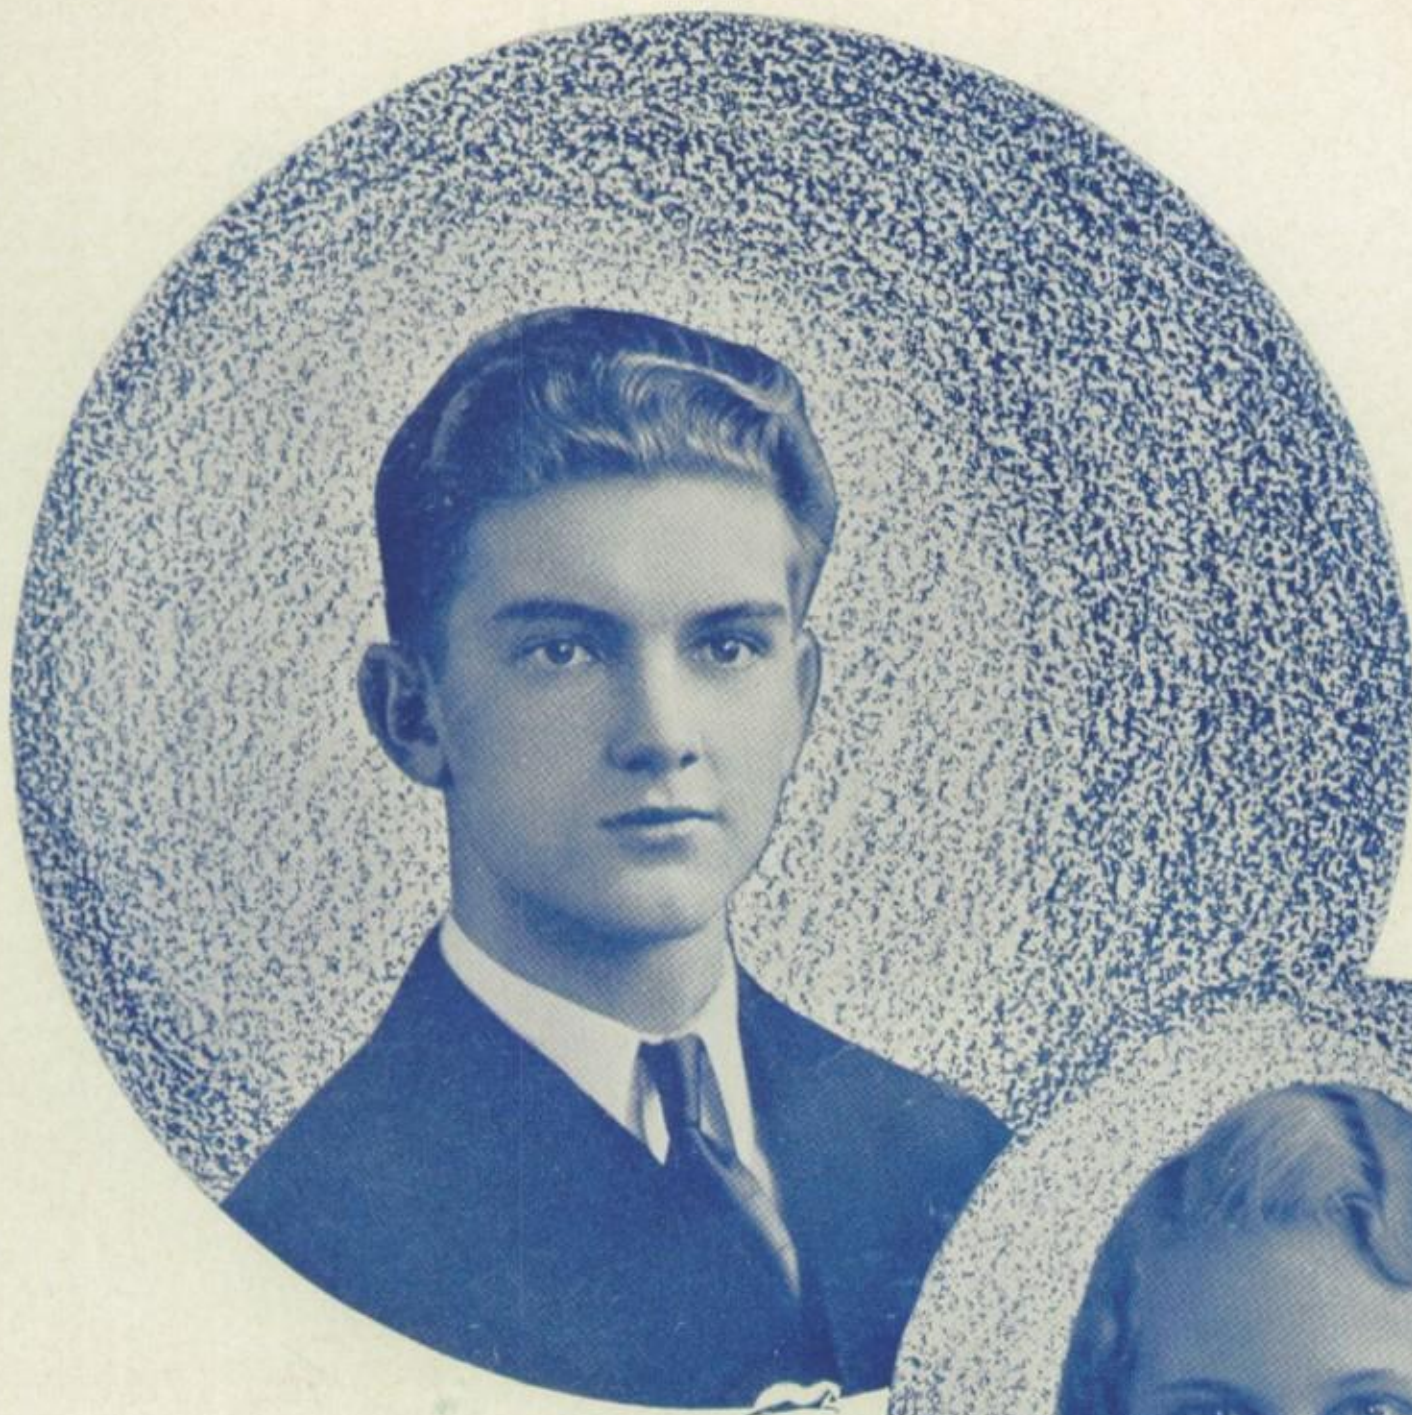

Second Row: L. Lyman, V. Blake, M. Nelson, S. Fryer, K. Takeuchi, N. Cahoon, M. Bleazard, V. Johanson.

achievements

honor students

Granite is proud to have in its midst four students who have attained success in their scholastic records.

For the past four years these students have maintained an average of 90 per cent or above.

The student body honors them for their achievements.

These students have been outstanding not only in the academic functions but also in many social activities.

Granite takes this opportunity to say, "Congratulations!"
